Case No. 3:19-cv-3304-JDA

CLASS ACTION

**DECLARATION OF EDWARD D. SULLIVAN IN SUPPORT OF LEAD COUNSEL'S
MOTION FOR AN AWARD OF ATTORNEYS' FEES AND PAYMENT OF
LITIGATION EXPENSES, FILED ON BEHALF OF SULLIVAN LAW FIRM, PC**

I, Edward D. Sullivan, declare under penalty of perjury as follows:

1. I am Edward D. Sullivan of Sullivan Law Firm, PC (“Sullivan Law Firm,” “my Firm,” or “Additional Counsel”). I respectfully submit this declaration in support of Lead Counsel’s motion for award of attorneys’ fees and payment of litigation expenses incurred by my Firm in connection with the Action. I have knowledge of the matters set forth herein based on personal knowledge, my review of my Firm’s records, and consultation with other Firm personnel.¹
2. My Firm, as Additional Counsel for Lead Plaintiff International Brotherhood of Electrical Workers Local 98 Pension Fund (“Lead Plaintiff”) and the Class, was involved in the prosecution and resolution of the Action and served at the direction of Lead Counsel.
3. As laid out in detail in Exhibit 1 attached to this Declaration, herein, I am providing an accounting of my Firm’s time, which was based on daily time records that my Firm maintains as standard practice and in the ordinary course of business. Those records are kept contemporaneously throughout the year. I oversaw my Firm’s activities in the Action, and I reviewed these records to confirm their accuracy.
4. Based on that review, I am assured of the accuracy of the time accounting and that the time spent on this Action was necessary and reasonable for the diligent but efficient prosecution and resolution of this Action. The accounting includes only time that inured to the benefit of Lead Plaintiff and the Class, including time that advanced the claims toward resolution, in my Firm’s lodestar calculation. Accordingly, some reductions were made to time in the exercise of billing judgment. For example, time expended prior to the date of November 22, 2019, when the initial complaint in this case was filed, and after the date of November 18, 2025, when this Court granted

preliminary approval of the Settlement—including time spent preparing Lead Plaintiff’s Motion for Award of Attorneys’ Fees and Payment of Litigation Expenses—has not been included in this report.

5. The time invested in this Action, reflected in these lodestar calculations, was reasonable in amount and was necessary for the effective and efficient prosecution and resolution of this litigation. The total number of hours I expended on this Action from November 22, 2019, through November 18, 2025, was 516.30 hours. Based on prevailing rates, that produces a total lodestar of \$232,335. Exhibit 1 provides a summary of the time I spent related to this Action.
6. The hourly rate shown in Exhibit 1 reflects my current hourly rate. This hourly rate reflects the prevailing hourly rates accepted by this and other courts in class action litigation, securities litigation or shareholder litigation. Sullivan Law Firm sets these rates based on periodic analysis of rates charged by firms similar in size and practice and performing comparable work that have been approved by courts in other securities class actions and complex actions.
7. As to expenses, the lodestar calculations do not include expense items. Those items are separately reflected in Exhibit 2.
8. My Firm has incurred a total of \$1,727.76 in unreimbursed litigation expenses in connection with this Action from the beginning of Sullivan Law Firm’s involvement in the Action through today, the details of which are catalogued in Exhibit 2 attached hereto.
9. The litigation expenses in this Action are reflected in the books and records of Sullivan Law Firm, which are regularly prepared and maintained in the ordinary course of business. These records are prepared from expense vouchers, check records, and other source materials and are an accurate record of the monetary value of the expenses incurred.
10. With respect to the standing of my Firm, attached hereto as Exhibit 3 is Sullivan Law Firm’s Firm

Resume, as well as a copy of my biography.

I declare under penalty of perjury that the foregoing is true and correct.
